The He-Man and the Masters of the Universe RPG is an extremely compact RPG using Nightcandle Imaginations’ Bag System 2018 ruleset, based on the core concepts of the 1980’s He-Man and the Masters of the Universe franchise (predominantly the animated series, but also the toy line). It is not in any way intended as a challenge of copyright to Mattel, FILMATION, or anyone else who has a vested interest in the success and profitability of the Masters of the Universe franchise. It is a not-for-profit fanwork only.

He-Man and the Masters of the Universe: The RPG is a game about the struggles of the heroic Masters of the Universe to thwart the evil forces of Skeletor and his pursuit of the secrets of Castle Grayskull. Players take on the roles of classic Masters of the Universe or create their own heroic champions of Eternia.
